

Meridian Community Care Clients Enjoy the Canfield Fair Thanks to Northern States Metals

Meridian is grateful to Northern States Metals, a Youngstown company that manufactures the Solar FlexRack, for its generous donation of 25 admission tickets to the 2010 Canfield Fair — as well as funds for food, beverages and rides. This donation enabled several Meridian clients and their families to spend a fun day enjoying this great Mahoning Valley tradition.

Northern States Metals Vice President Joe Nobile (second from left); Meridian Community Care Executive Director Larry Moliterno (center); and Development Director Ellie Platt (right) along with two of the mothers and children attending the Canfield Fair from Meridian. Joe is holding a crayon drawing thank-you note from the children at Meridian.
